Building a Healthy Community

WHO WE ARE

Established in 1983, the Mid-Columbia Health Foundation (MCHF) strives to leverage donations from our generous community members to work towards a common goal: building a healthy community. We raise money through donations in memory of loved ones, gifts from grateful patients, donations from community members, MCMC's employee giving program, the Women's Giving Circle, special appeals, donations of stock, grants, and events.

MCHF is proud of the great work being done in our community. Funds raised include grants, interest on investments, events, and general donations.

SPOTLIGHT ON GIVING

Grant support from the following organizations help move our mission forward:

- Pacific Source for Behavioral Health Provider Recruitment & Retention
- Roots & Wings Foundation for Patient Assistance
- Keane Family Fund of the Oregon Community Foundation for the Patient Navigation
- Gorge Community Foundation Community Grant for Patient Assistance
- Columbia Gorge Health Council for Patient Navigation
- John E. Miller Fund of the Gorge Community Foundation for the Celilo Cancer Center Fund

Our community partner **Columbia Gorge Toyota & Honda** presented a check for \$6,560 to our Breast Health Fund, providing free mammography for those who qualify.

Through the **Pretty in Pink** promotion, \$50 was donated for every vehicle sold in the month of October.

This report is based on unaudited financials for the 2021 calendar year.

FOR OUR PATIENTS & COMMUNITY

Every year the Mid-Columbia Health Foundation uses gifts from our donors to directly benefit our patients at MCMC's hospital & clinics. Likewise, we support projects and programs working to improve the health of our community.

Donations were used to award:

- Scholarships to 69 students totaling **\$119,579**.
- Grants to the Mid-Columbia Economic Development District for a new bus shelter, the Youth Empowerment Shelter for needed building repairs and renovations, and Riverside Gymnastics for a Safe Vault System mat.

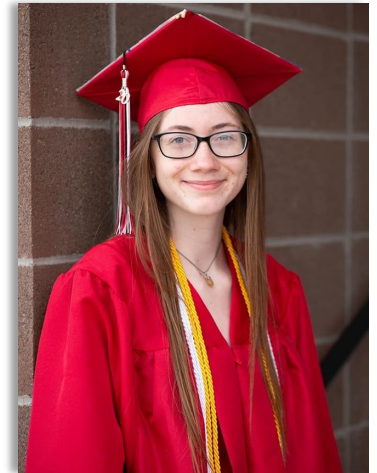

Donations were used to provide:

- **1,273** age and culturally appropriate books for children attending Well Child exams at MCMC clinics through the Reach Out & Read Program.
- Financial assistance to home bound patients, cancer patients, as well as Cardiac and Pulmonary Rehab patients, including supplying **546** gas cards to help get patients to and from appointments, and hotel accommodations for **11** patients in need.
- Patient needs such as wigs, acupuncture, prescription medications, medical equipment, compression sleeves, proper footwear, home essentials, and gift cards.
- Free mammography screening services for **25** uninsured or underinsured patients.

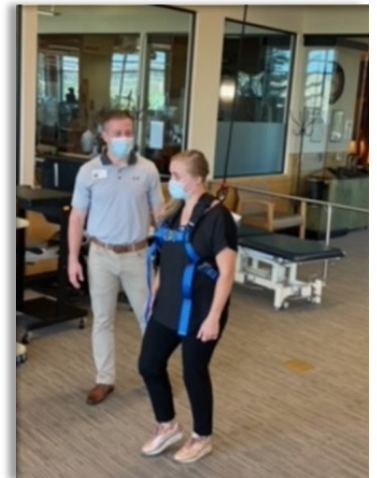

Donations were used to purchase:

- A **laryngoscope** for the endocrinology department to use in examination of the throat.
- 6 new **hospital beds** for use in the hospital.
- **Solo-Step Balance Training Harness** system for patient safety during physical therapy at Water's Edge.

We were able to secure \$1.2 million, working towards the purchase of a linear accelerator for Celilo Cancer Center through grants, gifts, and events.

Randy Road Memorial Scholarship recipient & Dufur High graduate, Mercedes Waters now a sophomore at Clark College.

The Solo-Step overhead track & harness system allows hands-off gait training & balance.

MCHF Staff & Women's Giving Circle members present an award to Community Backpack Program volunteers.

The **Women's Giving Circle** brings a wealth of knowledge about the needs of our community, and solutions to help address those needs, including philanthropic support. The Women's Giving Circle of the Mid-Columbia Health Foundation proudly presented two awards, generated from membership fees for 2021:

- The new **Youth Drop-In Center** received \$8,576 to support their program offering a safe space giving youth alternatives to other activities that put them at risk for dangerous outcomes.
- **Community Backpack Program** received \$2,144 for their program providing a weekend food supply for food-insecure students.

OUR SIGNATURE EVENTS

Each event is an opportunity to join us as a donor, participant, volunteer or sponsor.

Tournaments of Tradition GOLF BENEFIT

Dedicated golfers braved the record setting heat and hit the course for the cause last June at *The Dalles Country Club*. The event brought in just over \$27,000 helping towards the purchase of a new Linear Accelerator for Celilo Cancer Center.

Festival of Trees

To keep the community safe during the ongoing COVID-19 pandemic the Festival of Trees looked a bit different this year. Online donations and sponsorships netted over \$32,000 for the Celilo Cancer Center Fund and the purchase of a new Linear Accelerator. In conjunction with the Festival, two donation drives were held. The annual *Toy Drive* benefitting local kids in foster care, and a new *Teacher Appreciation Drive* were very successful because of the generous support of the community!

SPOTLIGHT ON PHILANTHROPY
